AFSCME OPPOSES SHIFTING SCHOOL PENSIONS TO THE COUNTY

We do not support the shifting of the state pension plan to the county. We can make an impact by meeting with our legislators on Monday nights to discuss these issues.

We must maintain a budget that keeps the proper level for funding Prince George's County Public Schools. We must fight for revenue changes by closing corporate tax loopholes, reviewing and removing ineffective tax credits and review and cut high costs from contracting out to protect the vital public services we provide.

There will be two sessions for make-up MAT (Members Action Team) Training on February 20, 2012 at 9:00 am until 1:00 pm and the second session starts at 1:30 pm until 5:00 pm at the Union Office.
